To Parents/Guardians of Registered Noon Supervision Students,

The Deer Run Elementary Parents' Association is excited to announce the return of the Healthy Hunger program for registered Noon Supervision students. The Healthy Hunger program is designed to give your child a fun and healthy alternative to a bagged lunch and is not intended as a fundraiser. The minimal profit of 15 to 20 cents per meal is added to the total yearly fundraising efforts of the Deer Run Elementary Parents' Association.

The Healthy Hunger Program is an on-line system for schools to use to connect with restaurants to order a special lunch on select days. The on-line system allows for parents to register for the program on-line and then place and pay for their child's lunch online. Lunches are then delivered to school for the lunch hour on the select day. You are not required to order a special lunch for all special lunch dates, only those that your child is interested in. You will also receive an email prior to the special lunch dates to remind you to place your order and also to remind you of the special lunch day.

The special lunch dates, restaurants, and order deadlines for this school year are listed below. **In order to participate in this program please refer to the Parents Information Sheet on the back of this letter to register and place your order. You must re-register each year for the new school with your child's 2015/2016 classroom.**
