

Subject: Ethel M Johnson School 2017-18 School Bell Times

Dear Parents/Guardians,

As communicated on May 16, the CBE is making a system-wide adjustment to the start (entry) and end (dismissal) times of the school day at many CBE schools for the 2017-18 school year.

EMJ School hours have been adjusted for the 2017-18 school year. All school must continue to provide a minimum number of hours and days of instruction for students. To meet this expectation our school hours will be

Grades 1 - 6

Monday – Thursday 8:00am (Entry)

Monday – Thursday 2:30pm (Dismissal)

Friday - 8:00am (Entry)

Friday - 12:15pm (Dismissal)

Lunch and recess hours will be:

Recess M-Th 10:15-10:30

Lunch M-Th 11:35-12:20

Kindergarten A.M.

Monday – Friday 8:00am (Entry)

Monday – Friday 10:43am (Dismissal)

This year, school hours have been aligned at all schools that use transportation services to optimize yellow school bus service. These changes are one part of the CBE's efforts to develop a long-term, sustainable transportation service for all CBE students.

We know that this change will have an impact on many families. By informing you before the end of this school year, we hope you are able to make the necessary adjustments to your routines and make any required childcare arrangements before the start of the 2017-18 school year.

More information can be found on the CBE website [here](#).

I'd like to thank you for your patience and support. We look forward to a great year in learning together next year!

Thank you,

Sincerely,

Mr. T. McIvor

Principal
