Message from the Principal

Welcome back!! We have had an amazing start-up to our school year! I am so please to see all of the bright and smiling faces of our students each morning as the students arrive at school. With the return of the traditional calendar schools, all of our friends are back in school which should make it easier to come to school to learn and grow.

This is another new beginning for me as I was not here at the beginning of the school year last year. I am thoroughly enjoying getting to know your children each day as individuals. We have already talked as a school about how each of us is an important part of the community at Patrick Airlie School.

Since you are a very important part of school community, we ask that you always fill out and return forms that come home on green paper. These papers are very important to your child' learning and often give us permission to do extra activities with your children. Additionally, they allow us to celebrate your child's work with our school community and our partners.

We are very fortunate to get to continue working with the ISSP (Integrated School Supports Project) team and have the resources they provide for us so easily accessible. These resources include the breakfast program, hot lunch program, Kid's Hub after school program, Constable Ron and the S4 lessons, a full-time physical education teacher, on-site psychologist and more. We are very lucky to be part of this amazing project.

As we venture continue our learning journey this year, I want to invite you to come and see me if you have a question or concern that I can help with. We are a community together and it takes all of us to make sure that our children receive the best learning environment we can give them.

There are some important dates to take note of on the left side of this page. Please make sure you are aware of what is happening in our school. I look forward to working with you throughout the school year. Thank you for being involved in your child's learning with us.

Cheers
Anica Robinson, Principal

ISSP (Integrated School Supports Project)

YOU ARE INVITED: ISSP Welcome back BBQ at Holy Trinity School from 3:30pm-6:30pm on September 7, 2017.

School Council

YOU ARE INVITED: Our first School Council meeting of the year is on September 6 at 6:00pm. Come out and show your support as we make important decisions for your child's learning at Patrick Airlie School.

Meet the Teacher Conferences

Conferences are scheduled for Thursday September 7 from 4:30pm – 8:00pm and Friday September 8 from 8:00am – 12:30pm. Please plan to attend by returning your green form with date and time choice. Return forms to the school by September 6th.

Breakfast Program

We are proud to be able to provide a breakfast program again at Patrick Airlie School. Breakfast is served from 7:45 – 8:20am with supervision until 8:40am when school begins. No registration is necessary. Please come around to the doors by the playground to enter the building and have your child join us for breakfast.

Classroom News

Ms. Amber's and Mr. Lauser's classes have begun their buddy learning together.

We look forward to sharing more learning from the other classes as the year progresses.

Message from the Board of Trustees

September brings new faces to our schools, eager to start the year. Whether this is your first year with the CBE or your child's last "Back-to-School" season, September is an exciting time. As this Board completes our term and our city looks forward to a municipal election in October, it is a wonderful time to reflect on what we have achieved and to plan for a vibrant future.

As an elected Board of Trustees, we have had the privilege of meeting with many parents, families, community members and partners over the past four years. We value your voice, and we would like to thank each one of you for contributing to the success of our students and the CBE.

Message from the Chief Superintendent

Every new school year is an exciting opportunity to set new goals and discover more about our children as learners.

This is a great time of year to talk to your child about their goals for the school year. Think about how you can support your child, and talk to your child's teachers about how you can work together.

I encourage you to also consider your own goals and dreams – do you want to get more involved in your child's classroom? Take a leadership role on School Council? Learn a skill or build confidence in an area of interest? Education is a lifelong journey, and it is our intention to spark a passion for learning in our students that will last a lifetime.

I look forward to growing and learning together as we work to make our students' goals and dreams a reality.

David Stevenson
Chief Superintendent of Schools

Get involved

We welcome the support of volunteers! Some activities or field trips would not be possible without the active participation of our volunteers.

All adult volunteers require a valid security clearance - no exceptions. Your school office has information about how to begin the security clearance process.

Community Engagement Opportunities

We are committed to engaging stakeholders - students, staff, parents and community members - on decisions that affect them. Last year, feedback and input gathered from stakeholders helped inform a number of decisions on projects including:

- Area I, II and V schools impacted by new school openings
- Expressions of Interest for the Science and Mandarin Bilingual programs
- A single site for the Deaf and Hard of Hearing program
- Development of a K-12 Math Strategy

In the 2017-18 school year and beyond, we will continue our work to engage stakeholders.

Two significant projects upcoming this year include the sustainable use of learning space in schools in Areas 6 and 7 and in high schools across our system.

Through the engagement process we will seek to understand what is important to parents, students, staff and community members.

Watch for opportunities to provide input and feedback on our website.
