Dear Parents/Guardians,

**Re: School Designation for Elementary Students Residing in the Edgemont Community**

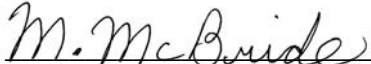

The Calgary Board of Education would like to remind parents and students that all kindergarten to grade 6 students residing in Edgemont are designated to Edgemont School effective August 2009.

All kindergarten to grade 6 students from the Edgemont community can now be accommodated at Edgemont School. Captain John Palliser School is no longer required as an overflow bus receiver and students who were attending Captain John Palliser School at the time of the designation change, will finish their division at the end of the 2008-2009 school year. As a result, subsidized transportation to Captain John Palliser from Edgemont will be discontinued June 30, 2009.

Subsidized transportation will continue to be provided for eligible students to Edgemont School. Students are eligible for subsidized transportation to their designated school if they live beyond the walk distance. All students accessing subsidized transportation are required to pay Board approved transportation fees. Information regarding transportation services and fees is available on the CBE website [www.cbe.ab.ca](http://www.cbe.ab.ca) and at the schools.

If you have questions, concerns, or require additional information, please contact the Area I office at 403-777-8710 (extension 0).
