Weekly Update:
December 18 – December 21, 2017

Dear Rideau Families:

As we prepare for our winter break, I hope that we can find the time to reflect on our gifts and our opportunities. I want to thank all of you for welcoming me into the Rideau community this fall. My purpose is to serve our educational community and to play a role in our collective future through the education of our children.

We are looking forward to coming together in January with most of the major modernization in great shape. We appreciate all of your support and patience as we have worked to deliver an excellent academic program and work with the demanding needs of construction.

I personally would like to recognize the efforts of our school staff. They are caring, responsible, flexible and professional. They come prepared each day to meet the demands of our school and to teach our children. They do their work with passion and commitment.

Our construction crew, have gone above and beyond to keep us all safe. Many of these people have children of their own in CBE schools. We appreciate their work!

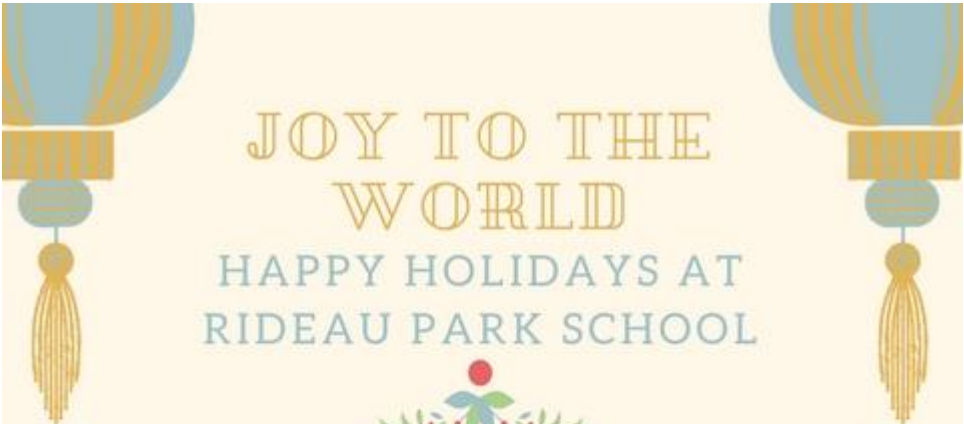

On behalf of Rideau Park School, I want to wish all of you a safe holiday season with family and friends.

I hope that you find the time to cherish all of your gifts.

Thank you,

Judi
