

**Bob Edwards School – Late French Immersion
Registration Package
Students Currently Registered with the Calgary Board of Education**

Bienvenue and Welcome to Bob Edwards School!

Languages are becoming more and more important as the world becomes more globalized. For grade 7, your child has the extraordinary opportunity to attend the Late French Immersion Program being offered at Bob Edwards School. Registration to this program will give your child the opportunity to further prepare himself or herself in order to meet these challenges.

In addition to learning the language of French, the Bob Edwards Late French Immersion Program offers an enriched, motivated and fun learning environment as well as a new challenge. In order for your child to be a successful student in the Late French Immersion Program, it is of vital importance that your child has good work habits and strong study skills as well as a desire to be challenged. Please note that previous knowledge of French is NOT required.

Should you feel that your child would benefit from the program, we would encourage you to register. The Registration deadline is March 15th, 2018.

In order to register in the Late French Immersion Program at Bob Edwards School, we need the following information to be completed in the package:

1. Application for Transfer: Junior High Schools (only complete the starred portions)
2. Student Questionnaire (filled in by the student)
3. Parent Questionnaire (filled in by the parents)

Once you have completed the registration package, please drop it off at Bob Edwards School office, mail it, or ask your child's school to send it to us through interschool mail.

Should you need any further assistance or would like more information; you may contact the school at 403-777-7770. We look forward to receiving your registration form.

Sincerely,
