Harold Panabaker School, with support from our School Council, has traditionally adhered to a closed campus policy during lunch. This means, we want all of our students, even those who live within walking distance of the school, to stay on the school property during the entire lunch break. For students who do not bring a healthy lunch, we have a tuck shop that offers affordable meals and snacks. We provide both internal and external supervision during lunch. There are a variety of activities during the lunch period, including (clubs, homework help, intramurals, etc.).

Though we believe, staying in a supervised environment is the safest and best choice; we understand that some Parents want to provide permission for their kids to leave campus during the lunch hour for specific reasons. There are two acceptable reasons a student can leave campus during our lunch period. First, the student lives within walking distance from the school (able to get home and back within the lunch period). The second is a one-time permission for students to leave campus during the lunch period. In the box below, please indicate if you live within walking distance and would like to provide your student the permission to leave campus during lunch. For those wanting a one-time permission please complete the One-Time Permission Box.

Annual Permission

I live within walking distance and would like to give my child permission to go home each lunch hour for lunch:

Students Name _____ Parent Name (Please Print) _____

Parent Signature _____ Date _____

One-time Permission

I would like my child, _____ to be allowed to leave campus on _____ (Date)

during lunch to _____ (Reason) Parent Signature _____

For any One Time permission to leave campus this form must be handed in to the main office prior to nutrition break on the day the student is given permission to leave campus. We will begin allowing students to leave campus on Monday September 18th, 2017.

If you have any further questions about this policy and/or the corresponding procedures, please don't hesitate to contact me.
