Dear Parents/Guardians,

Re: School Designation for Kindergarten to Grade 9 Regular Program Students Residing in the Residential District of Copperfield

The Calgary Board of Education would like to remind parents that effective August 2009 there was a change of school designation for Kindergarten to grade 9 students living in Copperfield.

Effective August 2009, Kindergarten to grade 4 students living in Copperfield were designated to Maple Ridge School for the regular program and grade 5 to grade 9 students were designated to R.T. Alderman School for the regular program.

Subsidized transportation services to Acadia School from the Copperfield community will continue to be provided until June 30, 2012 provided there are a minimum of 15 students. This will allow students who are currently in grade 3 at Acadia School to complete grade 4 at Acadia School.

Subsidized transportation services to David Thompson School from the Copperfield community will continue to be provided until June 30, 2013 provided there are a minimum of 15 students. This will allow students who are currently in grade 7 at David Thompson School to complete grade 9 at David Thompson School.

Students are eligible for subsidized transportation to their designated school if they live beyond the walk zone. Information regarding transportation services and fees is available on the CBE website www.cbe.ab.ca and at the schools. All students accessing subsidized transportation are required to pay Board approved transportation fees.

If you have questions, concerns, or require additional information, please contact the Area V office at 403-777-8780 (extension 0).
