

- Question from parent/guardian - How can we capture the new grade 4 parents as volunteers?
- Question from parent/guardian on fees for students who go home for lunch for the days they may want to stay for fun lunch. Is it \$5? Mrs. Shellenberg will look into this.
- Nicole mentioned that parents do not realize how much money the council raises and what it is used for. There is no recognition. People may feel more passionate about taking part in fundraising if they knew where the money was going. Could there be a slideshow at parent teacher meetings showing what council has supported.

Report from Treasurer:

- General account - \$22,056.90 and \$13,031.90 after allocated amounts.
- Casino account – \$30,568.31- all has been promised.
- \$15,000 set aside for artist in residence programs
- Jenny is the casino lead. The next casino is November 11/12 at Elbow River – the amount council received from the last casino was approx. \$70,000. We need a lot of volunteers for the casino (approx. 42-46) Can we use FANS money to give volunteers \$50 tokens for their students towards trips? This can be discussed at a later date. Anyone can volunteer as long as there is no criminal record. Meet the teacher is Sept 21st and we should let people know about the casino volunteer opportunity.
- Will the school volunteer forms be available at meet the teacher night? Most people say they did not receive them.
- Admazing has not gone home yet with a lot of students. Mrs. Shellenberg will check with teachers to ensure it goes home.

Current Business:

- Money was set aside for the purchase of Chrome books. No update to share. They have been moved to the unapproved purchase list – carry over to next meeting. Not the same durability as iPads.
- Slush fund for clubs – do we want to start with \$1500?
- A motion was made by Jen to spend up to \$1500 from the general account on clubs for misc. supplies, the motion was seconded by Amanda. All receipts have to be submitted. The motion was passed by a majority vote.
- Field trips – Should council provide money for trips, we will discuss at the next meeting.

The meeting was adjourned at 8:08p.m.

Next FANS Meeting:
Monday, October 2nd, 2017 at 6:30p.m.
Nose Creek School Learning Commons
