Wellness Centre

Forest Lawn High School, together with twenty community agencies, operates a rotating schedule of services to students and their families. The goal of the Wellness Centre is to help address student and staff needs and to provide proactive educational information on wellness issues.

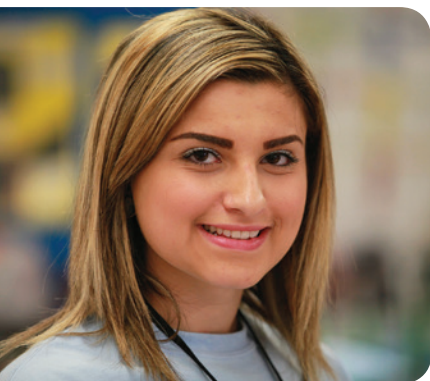

Career Centre

The Career Centre provides students, parents, teachers and the community of Forest Lawn with:

- assistance in developing career plans
- workshops on cover letter and resume writing, and on developing interview skills
- information and direction on researching occupations and exploring career possibilities
- support in developing portfolios
- tools that survey and take inventory of values, aptitudes and skills

Post-Secondary Day

A post-secondary day is hosted at Forest Lawn every year during October. Please feel free to attend and become familiar with post-secondary institutions available.
