

January Class/Tutorial Schedule

January 8: Classes Resume

January 11-12: English and Social Studies Diploma Exams

January 8-10 and 15-17: Regular timetable. (Wednesday January 17, last day of regular classes)

January 11-12 and 18-19: Modified Timetable. This timetable is meant to provide students with a flexible schedule and opportunity to improve their grades through structured and unstructured tutorials. **Students are expected to attend and work in those areas where they have the greatest need.** Each teacher will have their own specific schedule depending on their exam supervision commitments and the courses they teach. Each teacher will have their schedule posted on the classroom door and students will be informed of their teachers schedule prior to January 11. Students who are failing classes must create an individual plan with their teacher on how they can improve their grade to a passing level. Below is an example of what a teachers schedule may look like **(this is only an example).**

January 22-26: Teachers are available for tutorials between 9:00 and 4:00 each day unless they are invigilating an exam. Please contact your teacher for their schedule.
