

James Fowler High School Parent Council and Parent Society

AGM Tuesday September 19, 2017 at 6:30pm (Please mark this on your calendars)

WELCOME BACK

The James Fowler High School Parent Council and Parent Society is excited to welcome back returning parents and students and extend a great big hello to our new parents and students that are entering our school. School Council is where you and/or your child can add your voice to the conversations at the school and set direction for where our school is heading. James Fowler School Council believes that the parents of all students have a vital role to play in their children's education. Our goal is to work with school administration, staff, parents, students, and community organizations to provide a healthy, safe, and supportive environment that allows each student to receive the best possible education.

Why Become Involved?

Why Become involved? We need your voice. Educators recognize the crucial role that school councils, parents and community members have in enhancing student learning. Studies identify the benefits of parental involvement in education which include:

- Higher student achievement
- Better student attendance
- More positive student attitudes and behaviours
- Higher student graduation rates.

If you are interested in putting your name forward for a position on Council or Parent Society please email Principal Keith Johnson at kejohnson@cbe.ab.ca. Thank-you, and we look forward to meeting you at the upcoming meeting.
