Our school office opens on August 21, 2018 for registration.

Changes to My CBE Account

Over the summer, changes will be made to My CBE Account, the online parent account that allows families to pay fees or apply for a waiver, register for transportation and noon supervision, as well as view student progress.

Families will need to set-up new accounts to continue to do online transactions. To create a new account families will need to have their child's CBE Student ID Number. Watch the CBE website in August for more information about the transition: www.cbe.ab.ca.

Fees & Waivers

School fees will be charged to families after the start of the school year in September and October. Online fee payment is the simplest and most convenient way to pay school fees. Parents can use their online account to pay fees or apply for a waiver at: www.cbe.ab.ca/mycbe.

There are a number of different ways you are able to pay school fees, including: online using VISA, MasterCard, VISA Debit or Interac Online; in-person at schools; or by sending in a cheque to the school or CBE.

You can find more information on school fees and waivers here: www.cbe.ab.ca/registration/fees-and-waivers.

Further Information

We look forward to a great year ahead. If you have any questions that we haven't addressed here, please contact the school.
