Application for Continued Registration 2018-2019

Thank you to all students who returned their form before Spring Break. As of today we still have 50% who have not returned their form yet. We would like to remind parents and students that the form is due today. If you are not sure if you are returning to NSS for the school year 2018-2019, you can write “unsure” on it stating the reason. Thank you.

Scholarship Information

There is a newly launched website (<https://ScholarTree.ca>) that helps students find and apply for scholarships.

The site was created with the intent to help reduce student debt, which many students have to take on for post-secondary education. ScholarTree.ca streamlines the scholarship process for students; all they have to do is create a simple profile and based on the information they provide (including school, field of interest, volunteer experience etc.)
