## When to Update the School(s)

There are two situations in which you must update your information at your child or children's **school(s)** so that it matches the profile information in **My CBE Account**:

### Before You Change Your **My CBE Account** Email Address

To maintain its link to your child or children, your **My CBE Account** email address must match the Legal Guardian email address on file at your child or children's **school(s)**. If you need to change your **My CBE Account** email, visit or contact the **school(s)** to update that information **before** you make that change in **My CBE Account**.

**NOTE:** You do not need to inform the **school(s)** before you change or reset your **My CBE Account** name or password.

## Update an Incorrect or Missing Cell Number

You may need to visit or contact your child or children's **school(s)** to update the cell phone number on file for you if the one shown in **My CBE Account** is incorrect or missing.

Both scenarios are discussed in the upcoming *View/Update Your My CBE Account Profile* section.
