We are excited to offer you an important role at the school -**The Principal's Advisory Council at Henry Wise Wood High School** provides students with the opportunity to be involved, on an administrative level, with their school and ultimately with their education. As a member of the Henry Wise Wood High School Advisory Council, you will be expected to reach out to your fellow students at HWW to figure out not only the issues in the school and the school system, but also propose solutions to them. In addition, you'll also help identify what's working great in your classrooms and school community. You will bring your comments, concerns, and solutions forward to the council, which will include the Principal Ms. Howell, our other administrators, and others of importance depending on issues identified.

The council will meet approximately once every month for roughly one hour on Thursday during Wise Time and lunch. Should you be interested, please come to the office for an application form . The deadline for submission will be Friday September 22. Thank you!
Ms. Howell
