

February 20

Become a member of the Minister's Youth Council 2018/19.

We are looking for approximately 32 junior and senior high school students with diverse interests, identities, backgrounds and perspectives from all regions of Alberta. Of those 32, we will be accepting up to eight returning council members and at least 24 new members. The council will continue to give students the opportunity to build their leadership skills at the provincial level, make an impact on education and leave a legacy that will last well into the future.

Students can apply directly to Alberta Education before March 30, 2018. For more information, I invite you to visit our website at education.alberta.ca/myc.

David Eggen
Minister

Please help us identify students who are 'in need' of a Cinderella Graduation experience including a shopping extravaganza with a fairy godmother to find a dress, shoes, and expert hair and make up tips and treats.

For those of you that are new to the Cinderella Project, the criteria to qualify for this program are:

- Students are on track to graduate this school year
- These students must be facing financial barriers or vulnerable circumstances
- All students are female
- Students are able to attend the event day held on March 17, 2018

If you know of a student who may wish to participate please talk to them about it and/or refer their name to the appropriate guidance counsellor by no later than February 7th! If you are not comfortable bringing up the sensitive 'in need' issue let us know!

If you know of any male students in need of grad attire please refer their names to guidance. In the past we have had access to some suits/dress shirts, etc. through a staff person at Centennial who started a 'Prince Charming' project.
