

Grad Banquet Update

We have just received confirmation that the Telus Exhibition Hall DE is now available for our Graduation Banquet being held on June 1st. This is a larger space than MacLeod Hall, so we will be able to accommodate more people for the banquet than previously expected.

As such, the number of tickets that graduates will be allowed to purchase online will increase from 4 tickets to 6 tickets per student. If you require more than 6 tickets, please email Ms. Breadner (labreadner@cbe.ab.ca) with your request. The price will still be \$90 plus a \$2.75 convenience fee per ticket.

The process for purchasing tickets online will remain the same – the presale round will be for students with **FULL TABLES OF 10 ONLY**. Table sheets will be available for pick-up on March 12th in the Main Office and can be handed in to Ms. Breadner or Ms. Cave between March 13th and April 25th in order to purchase tickets during the presale. All other tickets will be purchased during the open round.

Please remember to indicate on-line if you, or any of your guests, require a vegetarian meal or if you have allergies. There is no pork being served at the banquet, so please DO NOT list pork as an allergy.

If you have any questions about the Graduation Banquet or ticket sales, please contact Ms. Breadner.
