

Sir Winston Churchill High School Model UN Team Ranked in the Top 10 in Canada

Congratulations to the Churchill Model UN team for being ranked in the Top 10 high school Model United Nations teams in Canada! Churchill made the Top 12 the last time that Best Delegate published their rankings of North American high schools in 2015-2016. Here's a link to the article: <http://bestdelegate.com/the-top-150-high-school-model-united-nations-teams-in-north-america-from-the-2017-2018-school-year/>

Churchill secured this ranking in part due to winning the Best Small Delegation at SSUNS, by winning their 5th straight city championship at the University of Calgary HSMUN, and by winning an Award of Merit (tied for 3rd place) at the National High School Model UN (NHSMUN) in New York City. Once again, congratulations to all of the Churchill Model UN team members!
