

Physical Education 30 – Leadership Stream

In the 2017/18 school year the Physical Education Department at Sir Winston Churchill High School will be offering a course that combines Physical Education 30 and Leadership. The two aspects of this course will be intertwined and will span the entire school year. Through their work in this course students will obtain 5 credits for Physical Education 30, as well as 5 CTS credits for Leadership.

Physical Education Component

- This new framework will reflect the already established Physical Education 30 course that is offered each semester. The primary difference being that it will be spread out over the entire year.

Leadership Component

- Students will be involved in running, creating, organizing, and helping out at school events
- Classroom learning around the topics of mentorship, leadership, goal setting, motivation, and public speaking.
- Mentorship in conjunction with our International Student population.
- A second overnight trip in addition to the camping trip that is already offered in the Physical Education 30 course with a focus on team building.
