

January 2009 Examination Schedule

Parents and Students

Please review this schedule so you are aware of the dates and times of your exams. It is expected that all students write their exams on the scheduled date. Plan accordingly if you are considering early vacations.

You need to arrive 20 minutes early for your exams so the invigilators are able to seat all students in a timely manner.

NOTE: Hats, Coats, Cell phones I-Pods etc. ARE NOT PERMITTED IN ANY EXAM ROOM. Students found with an electronic device on their person will be removed from the examination room and may forfeit their exam whether the device is on or off.

Students are expected to bring pens, pencils, erasers that are required to write their examination.
