- *new*** | **7 or 5 weeks** |
- New for 2019, students can complete their course in 7 weeks or 5 weeks.
 - The course length must be selected when registering with a counsellor.
 - Students have flexibility to accelerate their course and finish early.
 - All courses will have the same end date (**July 29**), but some students may choose to kick-start their summer by starting their Summer School course in June.

- | **registration** |
 - Students may pick one course only, deciding on a 7-week or a 5-week course at registration.
 - CBE students must meet with their school counsellor to register via the OCSR.
 - Non-CBE students must book an appointment with a CBe-learn counsellor / advisor at 403-777-7971.

- | **course fees** |
 - CBE students are **not** assessed any fees for the Summer School course.
 - The additional fee for out of jurisdiction, out of province, adult and international students applies.
 - **We cannot accept Debit Visa, Debit MasterCard or cheques.**

- | **textbooks** |
 - Some courses require a textbook, which needs to be picked up from CBe-learn.
 - Textbooks are due back at the end of the semester: **July 29, 2019.**
 - Students are **not** charged for textbook rentals, but invoices will be sent home for any textbooks not returned by the end of the semester.

- | **schedule** |
 - All coursework, including exams, must be completed by **the set end date.**
 - Students are able to finish their Summer School course in an accelerated time. Therefore, students have the ability to finish all aspects of the course before the end of July.
 - All course work, including final exams, must be completed by **July 29, 2019.**

- | **essentials** |
 - *Essentials for Online Learning* (Pre-learn) is meant to help new students be successful in online learning.
 - Students who request the course are automatically enrolled. Upon successful completion, the student will be granted one credit for e-Learning and Learning Management Systems (COM1255).
 - Students who request *Essentials for Online Learning* **must** complete the course within the deadline, or **they will not gain access** to their academic course.

- | **exams** |
 - All of the core academic courses have mandatory onsite assessments and exams.
 - Students must adhere to the exam schedule posted within the online course.
 - **We will not make special arrangements to proctor exams for students who are out of town, province or country for the summer.**
