

# CBe-learn Update: Diploma Redo & Spring Courses

February 27, 2019

At this time, CBe-learn is happy to be able to offer some limited Diploma Redo and Spring courses.

Registration through the OCSR for these courses will open up next week: **Tuesday, March 5 at 9:00am.**

Registration may close early if the courses reach their capacity. Once they are full, they will be removed from the OCSR, and counsellors will not have access.

Specific details about Diploma Redo, Spring and Summer School are highlighted below.

Please do not hesitate to contact us with any questions.

Thank you for your support and patience as we navigate this unprecedented situation.

## **DIPLOMA REDO (MATH 30, ELA 30, BIO 30)**

Registration will open March 5 at 9:00am, and will close March 11 at 4:00pm.

Diploma Redo courses will have one start date: **Thursday, March 14.**

Registration will close on Monday, March 11 – or once courses have filled (as there is limited space).

In order for student to take a Diploma Redo course, we recommend they must meet these criteria:

1. Already taken the course (at CBe-learn or at community school)
2. Finished the course (regardless of passing mark)
3. Completed at least 50% of the course work
4. Written the diploma exam (regardless of passing mark)

Students registered into Diploma Redo will NOT be given “Essentials / Pre-learn” as they will need to start working on their academic course as soon as possible (March 14). This will ensure students have the necessary time to complete the course before Diploma Exams in June.

We can offer limited spaces in:

1. ELA 30-1 (~ 30 spaces)
2. ELA 30-2 (~ 15 spaces)
3. Math 30-1 (~ 40 spaces )
4. Math 30-2 (~25 spaces)
5. Biology 30 (~20 spaces)
